ANIMALS AT LARGE

duty of every citizen and settler. It cannot be an advantage to the owners of suchanizate to have ahem hunted and driven about by dogs and nen, while it certainly is a diadvantage to ananyed partia to be conditually driving them from their doors and pumps, and havardly visinis dounds in question which must sooner or later be lockfull into, and no time is more opportune than the prosent. Peopless of elem annoyed by these naisease, but rather than this the facilizes of their feelings.

Peopless of elem analysed by these naiseases, but rather than the the same with the country of the search of the se

the voice of the people, would make the respecting the retrieval of each in the closestic animals from running at large during cretain seasons, which revers as follows the hardle of the people of the hall of the people of the people of the hall of the people of provisions for the abligment of this gerying out.

The following we slip from the Sel-kirk Heefell:—

"A new system of appointing judge as for agricultural shows has been adopted by the Highland (Socilard) Agricultural Society, which is as follows: "Three judges are to be appointed, whose names are to be published beforehand, only five setting however, the third being in the ring ready to pass his option in case the other two do not agree. It shall be other two do not agree. It shall be other two do not agree at the plan state that he plan state his plan state his plan state that he plan state his p

and make up for loss time.

Our professional mover would like to wager that he will reat more grass pains like the wager that he will reat more grass pains like mover and a Jean of homework of the will in two. (!)

Mr. Carrer Laurence has mearly finished the grading of the bridge cross the big ravine, and let us hope that it will be a better job than water done at the bridge or Melons street, bridge or Melons street, bridge or Melons street, but they choose the bridge or Melons street, but they choose the bridge or Melons street, but they choose the wind the wind

Virden.

Hog cholera is still on the, wing, and two or three more settlers have lost pigs. Mr. W. L. Gifford, of Four Well Farm, calculates he has lost \$300 worth of pigs during the last month. Can anyone suggest a cure for this disease?

for this disease?

There was frost at the beginning of last week, and on Monday night—well a last seek and on the last seek and seek at the last seek and last seek at the last seek at

## VIRDEN AND VICINITY.

Cold enough for overcoats yes

-Miss Nellie Burt left for Winnipeg yesterday.

—The season for duck shooting commenced on Tuesday.

—Slight frosts again the begining of the week but no damage done.

—A fine moose was seen last Friday morning just outside the town.

A. P. Power, Clerk of Pipestone, took a run down to Brandon last Fri-day.

day.

—Mr. John Ogilvie and Mr.McGaw
were in town on Tuesday, staying at
the Virlen House.

—Mearr. Bouverie & Routledge
commenced threshing their large crop
of grain resterday.

—Mearr. Bouverie & Routledge
have had four binders at work in their
600-acre field of grain.

Mr. Abena Isii for New York

GOC-are field of grain.

Mr. Acheson leit for New York
State last week, he having secured a
situation in that place.

—Mr. Teller (local treasurer for the
C.P.R.) and party passed through
from the west last Saturday.

C.P.M.) and parry passed through from the west last Saturaly.

—The boys are annious to know where the schomlaster lost the four 25-cent pieces on Monday.

—Means, Farme & Miller, with their usual enterprise, are putting up a public veripecacie on Mesch, afreek.

—The Hev. Father Robilland, of Briskoln cases up 11st Friday to see Mrs. McDonell who is postented with a classes.

—The Rev. Andrew McLean, B.A. of Pipestons, and Bev. W. McKay (mand, M.A., of Ock Lets, will exchange pulpits next Schback).

—A car-load of fine horses arrived from the cast on Tususky consigned to the Simpson Brothers, of this town. The acr contained fifteen horses and they arrived in splendid condition.

—Dr. Satherland, wun has been

hat week. Building optentions were anomanous or Tuesday as we shall soon have another fine building added to one town.

—We put a drop of alcohol indeed to one town.

—We put a drop of alcohol indeed to one town.
